STONE & GRANITE FABRICATOR

Requirements: minimum 1-3 years experience as shop fabricator.

We are seeking people that want to grow, learn and become top performers in our growing company.

The ideal candidate will possess a positive attitude, hard working, dependable and organized. They will have experience fabricating granite, quartz, marble and solid surface counter tops. They are strong and healthy (able to lift 100+ lbs).

This person will be able to step right in and immediately, accurately and efficiently use polishers/grinders on natural stones, marble, and solid surface. Will be required to communicate and take direction/ training from shop manager.

Must:

- Have knowledge of use and operation of hand tools, machine tools, and bridge saw for fabricating stone.
- Must have ability and knowledge in handling stone and heavy pieces and/or materials.
- Open to flexible schedule as we occasionally work on Saturdays
- Be a quick learner
- Work wearing steel toe shoes, eye wear and respirator (we will provide eye wear and respirator)

We offer competitive pay, medical benefits and 401K FSA options.

Job Type: Full-time

Required experience:

- FABRICATION: 1 year

Required license or certification:

- NON RESTRICTED DRIVERS LICENSE

Required education:

- High school or equivalent
